Croc? What Croc?

Sam Williams

Croc? What Croc? Sam Williams

Watch out, Little Fluff! Danger lurks along the river where he walks—and although all the other animals try to warn him, the duckling just doesn't see the hungry, snapping crocodile eyeing him for lunch. He even thinks the croc's a rock and walks right on top of him. But it turns out the sneaky reptile's the one who's in for a big surprise . . . because Little Fluff has a very special friend!

Kids will have a blast spotting the crocodile in the picture—and they'll love the story's unexpected twists and turns.
