Dude, time travel rocks! Until an army is breathing down your neck and the fate of the world rests in your hands. When four teenagers find themselves transported to the days when the Earth was young, they are lost in the wonder of meeting wizards, dinosaurs, and noble giants who honor them with a feast in a mind-boggling treetop village. Little did the four teens imagine their journey would pit them against the savagery of the most powerful sorcerer the world has ever known. Meet the unlikely heroes of Early Earth Book 1: Elemental Connections: Sean is a laid-back, lazy dude. Fong is a know-it-all nerd. Candice is beautiful and she knows it. And Braulio is just a jerk. These four are plunged thousands of years back in time to save Earth from certain doom. Can one of them be the Chosen One who is meant to unite the georb with its elemental essence? Can four teens stop the powerful Lord Maboia from getting there first? Join Sean, Fong, Candice, and Braulio on an adventure through Earth's primeval forests. Walk the swinging bridges of the treetop village of Erflanthina, learn the ways of the forest with Thogwok, attend the Council of the Wizards and Noble Giants, and then-and this is important-run for your life. Don't let Maboia's army catch you or Early Earth will be your final resting place. B.A. Norman is married and has seven children.
