Daniel Downey:

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this French for mastery: Salut, les amis! can make you really feel more interested to read.
