Illustrated Encyclopedia of Extraordinary Automobiles DK Publishing

This chunky format, retro-feel encyclopedia reviews 150 of the most incredible cars in motoring history from the earliest to experiments for the future. Each automobile is illustrated and accompanied by informative text, a colorful quote, and a specifications box. Distributed generously throughout the book are delightful photographic spreads showing cars that are typical of their era. The chapters trace the story from the first steam-powered vehicles and the Ford Model T, to favorites such as the James Bond amphibian car, the holder of the supersonic land speed record, and right up to the latest Air car, which has been hailed as the true car of tomorrow.
