Players of Strange, Meaningless Games: The Art of Hawk Alfredson Hector Gramme

The surrealist painter Hawk Alfredson made a name for himself in Sweden before moving to the United States towards the end of the 1990's. His highly detailed and exquisitely painted canvases are inspired both by the Old Masters and by the Surrealism of the 20th century, creating a highly original and always bewildering fantastic world. Major films to include Hawk's original artwork include: Ocean's 13, Mystery Men, and I Am Legend. *Players of Strange, Meaningless Games* contains 70 of Alfredson's weird and bizarre paintings from the period 1991-2014, together with texts written by Hector Gramme.
