**Saori: self discovery through free weaving** Misao Jo, Kenzo Jo

This edition is in English, reads from front to back and contains information on the Saori weaving process and techniques, the tools and patterns to make the great original outfits. I have created many handwoven pieces of clothing from the saori method and patterns that always receive great compliments. I had to search far and wide to find this autographed book, I am not sure if any more copies exist.
