Lewis Carroll

Through the looking-glass: And what Alice found there Lewis Carroll

HarperCollins is proud to present its range of best-loved, essential classics.

'It's a poor sort of memory that only works backward.'

In Carroll's sequel to Alice's Adventures in Wonderland, Alice once again finds herself in a bizarre and nonsensical place when she passes through a mirror and enters a looking-glass world where nothing is quite as it seems. From her guest appearance as a pawn in a chess match to her meeting with Humpty Dumpty, *Through the Looking Glass* follows Alice on her curious adventure and shows Carroll's great skill at creating an imaginary world full of the fantastical and extraordinary.
