A Whole New World: A Twisted Tale Liz Braswell

What if Aladdin had never found the lamp? This paperback edition of the first book in the A Twisted Tale line will explore a dark and daring version of Disney's Aladdin. Plus, it includes an excerpt of book two, Once Upon a Dream, a twist on Disney's Sleeping Beauty!

When Jafar steals the Genie's lamp, he uses his first two wishes to become sultan and the most powerful sorcerer in the world. Agrabah lives in fear, waiting for his third and final wish. To stop the power-mad ruler, Aladdin and the deposed princess Jasmine must unite the people of Agrabah in rebellion. But soon their fight for freedom threatens to tear the kingdom apart in a costly civil war.

What happens next? A Street Rat becomes a leader. A princess becomes a revolutionary. And readers will never look at the story of *Aladdin* in the same way again.

Praise for *A Whole New World*:

"A magic carpet ride of a book! A fun and unpredictable retelling of the classic Aladdin story, a must-read for all of us Disney fans!" -Melissa de la Cruz
