*Be careful what you search for...*

Emma Guthrie expects this summer to be like any other in the South Carolina Lowcountry--hot and steamy with plenty of beach time alongside her best friend and secret crush, Cooper Beaumont, and Emma's ever-present twin brother, Jack. But then a mysterious eighteenth-century message in a bottle surfaces, revealing a hidden pirate bounty. Lured by the adventure, the trio discovers the treasure and unwittingly unleashes an ancient Gullah curse that attacks Jack with the wicked flesh-eating Creep and promises to steal Cooper's soul on his approaching sixteenth birthday.

But when a strange girl bent on revenge appears, demon dogs become a threat, and Jack turns into a walking skeleton; Emma has no choice but to learn hoodoo magic to undo the hex, all before the last days of summer—and her friends--are lost forever.
