Florence and the Medici: The Pattern of Control

J. R. Hale

Florence and the Medici: The Pattern of Control J. R. Hale

The enduring fascination of the Medici springs from their ability--as individuals and as a family--to control the government of Florence, first as a quasi-democracy and finally through inheritance. Based on the latest research, this perceptive study, by one of the finest Renaissance scholars of the day, reveals the causes and the nature of the Medicis' power of patronage from the early 15th-century through the early 18th. "...probing, sharp-eyed, utterly unsentimental...some of the most revealing insights come...in a chapter about the growth of the Medici legend.."--Roy Foster.
