Having To (Routledge Revivals): The World of One Parent Families E. Cashmore

First published in 1985, *Having To* summarises the situation of more than a million parents in the UK alone that survive as single parents. This thought-provoking book is based on interviews with more than 200 women and men of all ages and backgrounds. The accounts of what life can be like in the world of one parent families are revealing, sometimes disturbing, and above all, moving. In this book, parents talk in depth about their experiences when confronted by violence, infidelity, lesbianism, child abuse and paranoia. They portray stories that will provoke many questions about the state of the nuclear family.
