It's so hard to be patient. And for children, it's especially hard: to wait for dinner, to wait for the sun to come out after the rain, to wait for vacation, to wait for Christmas. There are so many times a child has to wait and be patient. Here's a book that explores the concept of patience for children and helps them understand that 'When I am patient I usually find that everything happens in its own perfect time'. As always, P.K.'S colourful and fun watercolours make this popular author's newest book a great gift for any child.
