It takes a lot to be a professional wrestler, the willingness to sacrifice their bodies week after week for fifty-two weeks a year. Wrestlers have to know how to take a hit and how to play the crowd...and how to win. Only the best professional wrestlers develop a signature move that they can call their own and definitively end matches with -- a move that, once perfected, is keenly anticipated by fans as the climax of their favourite Superstar's victories. Here are all of the top wrestlers from the WWE, gathered together in one tremendous book. Some of the greats whose signature moves are here include Stone Cold Steve Austin (Stone Cold Stunner), Hulk Hogan (Big Boot), Undertaker (Tombstone Piledriver), Triple H (The Pedigree), John Cena (the F-U) and Trish Stratus (Chick Kick) -- and once fans see that move executed, the match is all but over. Each move is highlighted and explained, making this a treasured collectible for every generation of wrestling fan.
