The Economics of Women, Men, and Work

Francine Blau, Marianne Ferber, Anne Winkler

The Economics of Women, Men, and Work Francine Blau, Marianne Ferber, Anne Winkler
The Economics of Women, Men, and Work, Seventh Edition, is the most current and comprehensive source available for research, data, and analysis on women, gender, and economics. Blau, Ferber, and Winkler are widely known for their research and contributions to the study of the economics of gender. The seventh edition reflects the numerous changes in the labor market and in the family that have occurred in recent years.

FEATURES

- * Due to its scope, this text is **suitable for a variety of courses**, including women's studies courses and courses on the economics of gender, economic problems, general labor economics, and the economics of the family
- * **Coverage of current social trends** offers insight into shifting demographics like the rise in serial cohabitation and multi-partner fertility and the decline in teen birth rates
- * Research explores the causes and consequences of **recent developments in the labor market**, including the implications of the Great Recession and the increasingly divergent outcomes for both individuals and families with various levels of education
- * **Updated discussions of gender differences from an international perspective** cover dramatic changes occurring across the globe, including rapid declines in fertility in nearly all countries and dramatic increases in women's education in developing countries

Sharron Marty:

A lot of people always spent their own free time to vacation or go to the outside with them loved ones or their friend. Did you know? Many a lot of people spent that they free time just watching TV, or playing video games all day long. If you need to try to find a new activity here is look different you can read any book. It is really fun to suit your needs. If you enjoy the book you read you can spent 24 hours a day to reading a reserve. The book The Economics of Women, Men, and Work it doesn't matter what good to read. There are a lot of individuals who recommended this book. These people were enjoying reading this book. When you did not have enough space to deliver this book you can buy the particular e-book. You can m0ore effortlessly to read this book through your smart phone. The price is not too expensive but this book provides high quality.

Sophia Whitfield:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's heart or real their passion. They just do what the professor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Economics of Women, Men, and Work can make you sense more interested to read.
