Theft by Taking: A Fictional Memoir George H. Clowers Jr.

The study of ethics proves criminals are just like you and me, and if they want to change, they have to look without. These stories are variations on legitimacy. They explore events, consequences, actions, and memories that reveal some dreams are real, and certain realities should have remained dreams. This impression, a fictional memoir, reveals that life is a journey worth taking, and one must have certain experiences to become a whole person, or rather, to have the fullness of the human march, as long as you don't lose your way. But if you do, you can find it again, when you have a choice!
