ABA Programs for Kids with Autism: A guide for parents and caregivers Dr. Gary Brown
This newly updated book contains 25 ABA (Applied Behavioral Analysis) programs, plus many more helpful tips for helping your child with Autism. These ABA programs are designed as guidelines for parents and caregivers of children with behavioral problems and developmental delays associated with neuropsychological disorders, such as autism. This edition also contains an updated list of recommended iOS apps to help your child. Great for homes, schools, clinics and daycares. The National Institute of Mental Health and the Surgeon General recommend Applied Behavior Analysis (ABA) as an essential therapy for children with autism. So ABA should be the mainstream of your therapy.
