Janet Hall

How You Can be Boss of the Bladder Janet Hall

The first section of this book is to be read to young children or for older children to read to themselves. It aims to give the child the critical elements for successful management and prevention of wetting. That is- the motivation, the functional knowledge and the encouragement to take control. The second section of this book is directed to parents, although some children may still find it interesting to read. It provides facts about learning dryness and specific recommendations for parents. The third section describes the types of treatment which may be sought from professionals.
