The life of Jesus is a story that will never end. His story is an adventure that you can join. It's a mystery that you can solve and it's a love story that's about you, God and his great, loving, wonderful heart; a heart that beats with a never-ending love for his people.

Starting with the 'Important Announcement' and ending with Jesus' ascension this bible storybook retells the familiar stories in an engaging way that will have readers & their young listeners enthralled.

Each story is simply told on one page with bible reference, question & application. On the opposite page is a detailed picture to occupy little eyes while the story is being read.

The '*Question time*' is designed to reinforce each story & '*Spot this*' is where you have fun looking at the picture, together. Each story has a thinking/application challenge e.g. 'You can be like Mary by believing that Jesus is the Son of God' or 'You can be like the little boy by giving Jesus what you have - your heart'.
