This follow-up to *Nylon* magazine's breakout hit *Street* shows what trendsetters around the world are wearing today. Trusted as the definitive lens for cutting-edge style and emerging popular culture, *Nylon* has chronicled street fashion for more than ten years. In 2006, *Nylon* introduced *Street: The Nylon Book of Global Style*, which showcased the real-life style scenes in seven fashion-forward cities. In *Street View*, *Nylon*'s editors, writers, and photographers take to the streets again, returning to the ever-trendsetting meccas New York, London, and Tokyo, as well as showcasing four up-and-coming fashion capitals: Stockholm, Barcelona, L.A., and Montreal. Pictures of each city's most innovative dressers are paired with quotes about sources of inspiration and favorite local stores and websites, so readers can see the look and deconstruct its creation at the same time. *Street View* will inspire any worldly fashionista and is a must-have for fans of the first book, as well as those looking at the street fashion for the first time.
