The Economic Dependency Trap: Breaking Free to Self-Reliance Calvin Helin

This book offers effective strategies to help erase poverty. It advocates self-reliance, policy reform and cultural awareness. Accountability is required from all; the middle class, the trust fund babies and the underprivileged who see themselves as perpetual victims and have fallen into the entitlement trap. True Blue-prints are offered to rescue people from an economical slump and help them improve their life, and re-obtain a sense of self-worth.
