The Lines on Nana's Face

The Lines on Nana's Face

It's granny's birthday, but her little granddaughter wonders why, because of the lines on her face, she looks so worried! But they are simply wrinkles, and grandma is very fond of her lines because they are where she keeps her memories.

In this imaginative and charming story, Simona Ciruolo turns the lines from old age into little wrinkles of wonder and memory as a little girl learns all about the precious moments in her grandma's life.

Simona Ciruolo is a Sardinian born author and illustrator whose witty and endearing tales recently won her the Sebastian Walker Award.
