## **The Real Revelation of Jesus Christ Given Unto His Servant John: Chronological Interpretation of End Times Prophecy MD, Dr. Ronald D. Frame II**

The confusion and controversy among today's Christians concerning end times prophecy and the Book of Revelation are unnecessary. Many people are misled by circular reasoning based on their preconceived notions of contemporary and mainstream doctrines. The Bible was not written just for scholars and theologians, but for the layman as well. Anyone can understand prophecy with some study. In the last two centuries, some of its teachings have been made unnecessarily complicated, perhaps for sinister reasons. To understand its truths, one only has to read it in chronological order. The reader of this book will find the format to be easy and intuitive with plenty of room for notes and comments. The book initially builds the needed precepts for correct interpretation of prophetic scripture. Then, a verse-by-verse and outline-like presentation covers this large subject efficiently, yet with the minute detail needed for understanding that many authors have failed to include. The narrative commentary is concentrated and concise. This allows the Bible to speak for itself. The text of this book includes the complete scripture being discussed in its proper context. This negates the need for constant cross reference to a Bible and allows just one source for study. Profits from this book will be tithed and given for missionary service.
