**The Zen Poems of Ryokan (Princeton Legacy Library)** Nobuyuki Yuasa

A poet-priest of the late Edo period, Ryokan (1758-1831) was the most important Japanese poet of his age. This volume contains not only the largest English translation yet made of his principal poems, but also an introduction that sets the poetry in its historical and literary context and a biographical sketch of the poet himself.

Originally published in 1981.

The **Princeton Legacy Library** uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
