A Sky With No Stars: Saving The Future: Part One Juliet Dillon

Genres blend in this non-stop, page turning YA adventure. Kari is ripped from our world and thrown into a terrible future where safety is hard to come by and the very concept of freedom is hanging by a thread. Only a few years after massive destruction, Earth is a wasteland. The powers-that-be have an abundance of futuristic technology at their fingertips to keep the survivors in line, and the life they live is bleak. Though she knows her mysterious companion used some kind of magic power to time travel, he refuses to explain much more about her situation. She is forced to dig deep and discover how strong she really is capable of being. Little does she know, there is far more to her story than even she could imagine. A SKY WITH NO STARS is Part One of a three-part series.
