Fire and Knowledge: Fiction and Essays Péter Nádas

A *New York Times* Book Review Editors' Choice

The U.S. publication of *A Book of Memories* in 1997 introduced to our shores the work of an extraordinary novelist, Péter Nádas. Now, in *Fire and Knowledge*, a superb collection of short stories, essays, and literary criticism, we discover other aspects of Nádas's major presence in European life and letters: as a trenchant commentator on the events that have transformed Europe since 1989, as a stunning literary critic, and as a subtle interpreter of language and politics in societies both free and unfree. Here, in full, is a rich and rewarding compilation of brilliantly original, touching, witty, and thought-provoking works by one of our greatest living writers.
