Oileain: A Guide to the Irish Islands

David Walsh

Oileain: A Guide to the Irish Islands David Walsh

Dave Walsh describes over 300 islands. The essential information for kayakers or anyone in a small boat is there: landings, camping, drinking water and tidal information. Any wildlife to be found is detailed and on the islands that are or have been inhabited there is a wealth of information on their history and archaeology. The stories are fascinating and often told with a wry humour that makes them very readable. The book is illustrated throughout with colour photographs and maps. The writing and photographs capture the very essence of the wild places described.
