Russia's Path toward Enlightenment: Faith, Politics, and Reason, 1500-1801 Gary M. Hamburg

This book, focusing on the history of religious and political thinking in early modern Russia, demonstrates that Russia's path toward enlightenment began long *before* Peter the Great's opening to the West. Examining a broad range of writings, G. M. Hamburg shows why Russia's enlightenment constituted a precondition for the explosive emergence of nineteenth-century writers such as Fedor Dostoyevsky and Vladimir Soloviev.
