A coloring book for grown-ups, *The Sneaker Coloring Book* is a collection of 100 black and white line drawings of popular sneaker designs, shown in side view, to color, alter, or customize. The models featured are 100 of the most popular designs from 1916 to the present day from 18 major brands including Adidas, Converse, New Balance, Nike, Onitsuka Tiger, Puma, Reebok, and Vans. Brand, model name, launch date, and category are listed for each sneaker. The drawings are printed on high-quality drawing paper and the pages are perforated so that a drawing can be removed once completed.

Taking a fun and highly original approach to sneaker culture, the book will appeal to anyone who likes to color and customize their sneakers, to fashion and footwear designers, illustrators, graphic designers and, above all, to the sneaker fanatics who want to own every book about their favorite subject.
