What kind of woman wants a man so badly that she'd be willing to lie to get him? What if that lie includes denying the fact that she has a child?

Deborah Lewis is that woman. The suave debonair Lynox Chase is the man Deborah wants. He's the man Deborah has wanted for years, almost had, but decided to give her ex a try, leaving Lynox hanging. With her ex no longer in the picture, Deborah is willing to eat crow and go claim Lynox. She can't help but worry if he will be forgiving and take her back, but figures after two years, he's had time to get over it.

The chase turns into more of a marathon for Deborah. Just when she thinks she's near the finish line, she learns that a woman with kids is a turn-off for Lynox. She finds this out before ever getting the chance to tell Lynox that she had a child by her ex. Can Deborah turn off being a mother just long enough to get Lynox to fall in love with her again?
