The Visitation Handbook

Brette McWhorter Sember

The Visitation Handbook Brette McWhorter Sember

This manual is a complete guidebook for helping both parents learn to live with the changes visitation brings to their lives after a divorce and offers a unique perspective with its back-to-back format.

One half of the book is written especially for the custodial parent and talks about how to deal with problems of a child having two parents in two homes with two sets of rules. The other half of the book addresses the non-custodial parent and deals with what to do during visitation, long-distance visitation, communicating with the other parent, coping with scheduling and helping the child adjust.

The book contains appendices with various resources, including parenting organizations, publication resources, related websites and sample visitation plans schedules.

From reader reviews:

Katie Martinez:

Nowadays reading books be a little more than want or need but also become a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge your information inside the book that will improve your knowledge and information. The data you get based on what kind of guide you read, if you want send more knowledge just go with knowledge books but if you want feel happy read one with theme for entertaining such as comic or novel. The actual The Visitation Handbook is kind of e-book which is giving the reader unforeseen experience.

Louise Hacker:

Your reading 6th sense will not betray an individual, why because this The Visitation Handbook publication written by well-known writer who really knows well how to make book which can be understand by anyone who else read the book. Written in good manner for you, leaking every ideas and writing skill only for eliminate your hunger then you still question The Visitation Handbook as good book not just by the cover but also through the content. This is one guide that can break don't judge book by its protect, so do you still needing one more sixth sense to pick this!?! Oh come on your reading through sixth sense already alerted you so why you have to listening to a different sixth sense.

April Hall:

This The Visitation Handbook is great reserve for you because the content and that is full of information for you who all always deal with world and get to make decision every minute. This particular book reveal it info accurately using great arrange word or we can state no rambling sentences inside. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but challenging core information with attractive delivering sentences. Having The Visitation Handbook in your hand like getting the world in your arm, data in it is not ridiculous just one. We can say that no e-book that offer you world in ten or fifteen second right but this publication already do that. So , this is certainly good reading book. Hi Mr. and Mrs. occupied do you still doubt in which?

Dana Register:

E-book is one of source of expertise. We can add our knowledge from it. Not only for students but native or citizen have to have book to know the up-date information of year for you to year. As we know those books have many advantages. Beside all of us add our knowledge, also can bring us to around the world. By the book The Visitation Handbook we can acquire more advantage. Don't one to be creative people? To become creative person must prefer to read a book. Simply choose the best book that acceptable with your aim. Don't always be doubt to change your life with this book The Visitation Handbook. You can more pleasing than now.
