True: The Autobiography of Martin Kemp Mr Martin Kemp

Writing his own story Martin Kemp talks frankly about his upbringing in working-class Islington, stardom and success with Spandau Ballet and the break up of the band. He writes openly about his film career, the huge success of The Krays, his tremendous fight against brain cancer and on to today with fame again in EastEnders. This is a stunningly written account of a fascinating life written with candour and wit. 'There are tears and laughter, and it's all told with honesty, style and unexpected humour. This inspiring tale reveals his hopes and fears as he battled for his life while trying to get his career back into the groove. It will have you glassy-eyed, torn between the Kleenex and digging out your old Spandau Ballet albums' The Mirror
