*Robert Remini*

**Andrew Jackson: A Bibliography (Bibliographies of the Presidents of the United States)** Robert Remini  
A bibliography of writings by and about the seventh President of America, this book provides information on Andrew Jackson's career, studies of both his career and personal life using manuscript and archival resources, articles, interviews, iconographic resources and government documents. The text contains a biographical essay and a chronology of significant events in Jackson's life and describes the personalities surrounding him in the political arena, in Congress, in the Supreme Court and in the presidential administration. This series offers bibliographies on every US president, from George Washington through to George Bush.
