I began writing personal letters to Jesus in 2015. It had been a hard year for me and my family. Although surrounded by loved ones I often felt the only person I could confide in was Jesus himself. I begin writing one letter a month, then it turned to one a week and now I write one letter to the Lord each and every day. It was an amazing experience to look back over the many letters I had “sent” to him that year. It was then I realised how much my relationship with the good Lord had evolved and grown. I knew I had to share this with the world, the help ordinary people like me build a real, authentic and personal relationship with Jesus.

This “Letters to Jesus” style journal has helped me form a very strong bond with Jesus, it has helped me true the good times and the bad and I am sure it will help many people for many years to come.

I challenge you to try it, just give yourself one month of writing these intimate letters to Jesus and he will welcome you with open arms.
