Living in Greece Barbara & René Stoeltie

Mythical homes in the land of the gods: Discover the best of Greece's hidden treats

Barbara and René Stoeltie bring you yet another excursion to the best of the worlds country homes—this time to the mythical land of Greece.

Go island hopping with the Stoelties and discover the best of Greece's hidden treats, such as the hilltop vacation house of Robert Browning, descendent of the English poet, in Hydra, a stunning 18th century Turkish-Greek palace—the former residence of a Turkish governor, now inhabited by a farmer and his family—on the Argo-Saronic Islands, and the cozy, romantic home of Onassiss ex-pilot Basile Touloumtzoglou and his wife, Tilly.

The magic of Greece's old-world charm drips from the pages of this book, which features 22 homes throughout the country.

Text in English, French, and German

From reader reviews:

Cortney Roller:

Do you have favorite book? Should you have, what is your favorite's book? Publication is very important thing for us to learn everything in the world. Each publication has different aim or maybe goal; it means that guide has different type. Some people truly feel enjoy to spend their time for you to read a book. These are reading whatever they get because their hobby is reading a book. Why not the person who don't like examining a book? Sometime, individual feel need book if they found difficult problem or exercise. Well, probably you will require this Living in Greece.

Mike Yerkes:

Reading a reserve tends to be new life style in this era globalization. With reading you can get a lot of information that could give you benefit in your life. Using book everyone in this world can share their idea. Publications can also inspire a lot of people. Lots of author can inspire all their reader with their story or perhaps their experience. Not only the storyline that share in the guides. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their ability in writing, they also doing some investigation before they write to their book. One of them is this Living in Greece.

Phillip Patten:

With this era which is the greater individual or who has ability in doing something more are more treasured than other. Do you want to become certainly one of it? It is just simple method to have that. What you need to do is just spending your time very little but quite enough to enjoy a look at some books. Among the books in the top checklist in your reading list is definitely Living in Greece. This book that is certainly qualified as The Hungry Mountains can get you closer in becoming precious person. By looking right up and review this publication you can get many advantages.

Billie Brown:

Reading a book make you to get more knowledge from it. You can take knowledge and information from a book. Book is created or printed or highlighted from each source this filled update of news. On this modern era like at this point, many ways to get information are available for you actually. From media social including newspaper, magazines, science e-book, encyclopedia, reference book, new and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to open your book? Or just in search of the Living in Greece when you necessary it?
