Psychotherapy In Chemical Dependence Treatment: A Practical and Integrative Approach (Substance Abuse Counseling) George Buelow, Sidne Buelow

Based on more than 20 years of counseling experience, this book provides information on the problems, techniques, and practicalities of chemical dependence treatment while integrating case conceptualization throughout. Using an integrative model of change, this practical, "nuts and bolts" guide assists helping professionals in working on treatment and relapse issues with individual or groups of chemically dependent clients.
