## **Tales of Crime & Violence: Volume 1** Paul White

This remarkable three volume collection of stories, about those involved in crime and violence, weaves an abundance of intrigue and duplicity into each of the stories plots. Why are these people there, are they the perpetrators, have they been forced or coerced...or are they simply the victims? All three volumes of 'Tales of Crime & Violence' are packed with an ominous sense of the sinister, while physiological apprehension lingers in the dark shadows. Not recommended for younger readers.
