The Kolbrin Bible: 21st Century Master Edition (Hard Cover)

Millennia ago, Egyptian and Celtic authors recorded prophetic warnings for the future and their harbinger signs are now converging on 2012. These predictions are contained in The Kolbrin Bible, a secular wisdom text studied in the days of Jesus and lovingly preserved by generations of Celtic mystics in Great Britain. Nearly as big as the King James Bible, this 3600-year old text warns of an imminent, Armageddon-like conflict with radical Islam, but this is not the greatest threat. The authors of The Kolbrin Bible predict an end to life as we know it, by a celestial event. It will be the return of a massive space object, in a long elliptical orbit around our sun. Known to the Egyptians and Hebrews as the "Destroyer," the Celts later called it the "Frightener."
