The Undead Pool (Volume 1) Derek Ailes

Superheroes battle the living dead in this hilarious spoof on the comic book universe!

The Undead Pool is a humorous and demented origin story of former mercenary Mace Murdock, who after being subjected to an experiment from the evil clown Zarathustra that leaves him with accelerated healing powers and the hunger for human brains, adopts the alter ego The Undead Pool. Armed with his new abilities and a twisted sense of humor, he joins forces with superheroes Stable, Psychotic Menacing Schoolgirl and Tigernaut to battle Zarathustra and his zombie clown army. The comedy never ends in this science fiction and horror parody of every superhero and supervillain that comic book enthusiasts love and hate.
