Christina is Elizabeth's eldest daughter and married to a man that gives her financial freedom, but is lacking in the bedroom. She finds a boy toy and starts to realize she signed up for more than she can handle... Drama and Diva are Christina's daughters. Together, they are young, wild, and free, but when Diva wants to leave the wild life behind, Drama doesn't want to let her go... Chrisette is the middle Savage daughter, and also the mother of Dymond. It's been the two of them forever and they are like best friends, but Chrisette finally thinks she wants to settle down and Dymond isn't so sure she can handle that... Christy is the youngest of the Savage women, and all her life she's been trying to belong. She's younger than her sisters and older than her nieces, and chooses to tell all her secrets to Dymond since she's the only one that listens to her. At the end of the day, she just wants someone to love her. With a family full of women who have no loyalty, backstabbing, lies, and deceit is the norm for the Savage family, but how far is too far? The saying goes, 'Blood is thicker than water.' But, the question here is, What's thicker than blood?
