## **Foreigners in the Confederacy** Ella Lonn

The Confederate armies included in their ranks a remarkable range of nationalities--among them Germans, Irish, Italians, French, Poles, Mexicans, Cubans, Hungarians, Russians, Swedes, Danes, and Chinese.

Covering the complete story of the activities of the foreigners in the Confederacy--in both military and civil service--this book recognizes their many contributions to the cause of the South. First published in 1940, it remains the only work on the subject.
