Naturally Curious Day by Day: A Photographic Field Guide and Daily Visit to the Forests, Fields, and Wetlands of Eastern North America Mary Holland

This follow-up to *Naturally Curious*, a National Outdoor Book Award winner, is a day-by-day account of nature observations throughout the year. Daily entries include entertaining and enlightening observations about specific animal or plant activity happening in eastern North America on that date.

Set up as a naturalist's journal, entries describe in detail sightings and events in the natural world and are accompanied by stunning color photographs of birds, animals, insects, plants, and more.

Essays throughout describe specific events in nature happening during each month, while sidebars supply natural history facts and information pertinent to the topics of the month or the time of year.
