Jessie Arms Botke

2017 Jessie Arms Botke Wall Calendar Jessie Arms Botke

A pair of white peacocks at the Bronx Zoo inspired Jessie Arms Botke to embark on a lifetime journey of creating dreamy avian portraits. Her peacocks, cockatoos, pheasants, and more display the utmost of elegance and grandeur, their plumes and crests often framed by lakes of gold leaf and giant, lush blossoms. The Chicago-born decorative painter (1883-1971) went on to travel the world in search and study of birds. Botke also made linocuts, woodcuts, and even murals (some in collaboration with her artist husband) over an art career that lasted more than fifty years.
