Excerpt from Arctic Experiences: Containing Capt. George E. Tyson's Wonderful Drift on the Ice-Floe, a History of the Polaris Expedition, the Cruise of the Tigress, and Rescue of the Polaris Survivors; To Which Is Added a General Arctic Chronology

All the original data possessed by Captain Tyson (except his journal written on the Polaris, which was left on board at the time of the separation) was placed in the hands of the editor, with every necessary verbal explanation, before the former sailed in the Tigress. During the interval between his rescue and his re turn to the Arctic regions in search of the Polaris survivors, he recompiled from memory and a few brief notes his lost journal, and we are thus enabled to give it, with but slight verbal varia tions, from the original diary. Captain Tyson's Early Experience will show that amateur Arctic explorers, physically fitted for the work, may be found in every whaling ship that sails.
