T.R. Fehrenbach Award, Texas Historical Commission, 2004**

Since the early 1700s, women of Spanish/Mexican origin or descent have played a central, if often unacknowledged, role in Texas history. Tejanas have been community builders, political and religious leaders, founders of organizations, committed trade unionists, innovative educators, astute businesswomen, experienced professionals, and highly original artists. Giving their achievements the recognition they have long deserved, this groundbreaking book is at once a general history and a celebration of Tejanas' contributions to Texas over three centuries.

The authors have gathered and distilled a wide range of information to create this important resource. They offer one of the first detailed accounts of Tejanas' lives in the colonial period and from the Republic of Texas up to 1900. Drawing on the fuller documentation that exists for the twentieth century, they also examine many aspects of the modern Tejana experience, including Tejanas' contributions to education, business and the professions, faith and community, politics, and the arts. A large selection of photographs, a historical timeline, and profiles of fifty notable Tejanas complete the volume and assure its usefulness for a broad general audience, as well as for educators and historians.
