Morning Star: Lucifer's Return

Archie Bransford Cocke Jr.

Morning Star: Lucifer's Return Archie Bransford Cocke Jr.

Lucifer is the most gifted and powerful of the angels. However, he is also the most misunderstood. Lucifer has a genuine love of mankind and carries a heavy weight of guilt for putting them on the path that led them from paradise. When Lucifer journeys to Earth for the first time, he's immediately drawn to the reincarnated Eve, a 26-year-old college student with a keen intellect and a bent towards Satanism. Eve teaches Lucifer about mankind's history, science, and religion. Eventually Lucifer uncovers a conspiracy orchestrated by the other angels. When these plotting angels learn that their most powerful and hated brother is among them, they move to accelerate their dark plan to cut humans off from Heaven forever. Suddenly Lucifer finds himself in the unlikely position of being the only one who can save mankind. But when Eve is kidnapped and the brewing conflict comes to a deadly head, it is Jesus, disguised as a swaggering homeless man, who steps in to intervene. Ultimately Lucifer must choose whether to defy the laws of Jehovah or support the intent of Jesus and begin a new era that demands a savior. But will he go too far? Find out when Morning Star reaches its dramatic conclusion.
