Secret Sin: When God's People Choose Abortion was written because abortion is one of the last great secret sins that remains ?in the closet.? And because the Church hasn?t been aware of the magnitude of this secret sin or how it affects those it touches, the Church has done little or nothing to help these people suffering silently in their midst to find healing in Christ. This book was written to pull back the curtain giving those within the Church an inside look into the world of the post-abortive Christian with the intent of spurring them on to begin reaching out to these hurting people with the compassion of Christ.
