Blood Lines

An evil being has been sealed away for centuries in a sarcophagus never meant to be opened, waiting patiently for his chance to rise again. Now, brought to the Egyptology Department of Toronto's Royal Ontario Museum, the seals and spells that imprisoned him chipped away from his discoverers, he has reached forth to claim the minds and souls of Toronto's unsuspecting citizens. And only three people had any sense that something was wrong...

For Henry Fitzroy, it began with terrifying images of the sun, a marker of death for a vampire. Fearing for his sanity, he turns to his sometimes-lover, private investigator Vicki Taylor, for help. As the two struggle to cope with Henry's obsession, Vicki's closest friend and former partner Mike Celluci, is following up on two mysterious deaths at the museum, certain that a force from beyond the grave is responsible for everything.

Blood Pact

Vicki Nelson has suffered a tragic loss—one that may prove to be more horrifying than she ever imagined...

Vicki Nelson has received the call that no daughter ever wants to receive—that her mother has died. Marjory Nelson's coworkers at the Queen's University Life Science Department told her that she suffered a heart attack, and that they'd be waiting for Vicki to arrive in Kingston to make the funeral arrangements. But what begins as a personal tragedy turns into the most terrifying case of Vicki's career, when her mother's body disappears mysteriously from the funeral home. Someone at the University is determined to learn the secret of life after death...and they've decided to make Vicki's mother part of their horrifying experiments.
