GMC: The First 100 Years John Gunnell

Millions of GMC fans will celebrate 100 years of truck making with this full-color, hardcover reference that tells the story of General Motors Truck and Coach through photographs, advertisements, production figures and other historical data. This book features the GMC models that helped shape America from the parlor-coach type buses of 1922 to the military 'Ducks' of World War II to today's sport utility vehicles and pickup trucks. The book provides a decade-by-decade look at various model changes, important personnel who determined company design and the available commercial and consumer vehicle lines. It features striking full-color photographs, original advertisements, production figures and historical facts.

From reader reviews:

Arthur Pascual:

What do you in relation to book? It is not important together with you? Or just adding material when you really need something to explain what your own problem? How about your extra time? Or are you busy person? If you don't have spare time to complete others business, it is make one feel bored faster. And you have spare time? What did you do? Everybody has many questions above. The doctor has to answer that question mainly because just their can do that will. It said that about reserve. Book is familiar on every person. Yes, it is proper. Because start from on pre-school until university need this particular GMC: The First 100 Years to read.

Robert Mundo:

Reading a reserve tends to be new life style in this particular era globalization. With reading you can get a lot of information that will give you benefit in your life. With book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Lots of author can inspire their particular reader with their story or maybe their experience. Not only the story that share in the books. But also they write about the information about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors in this world always try to improve their ability in writing, they also doing some investigation before they write on their book. One of them is this GMC: The First 100 Years.

Catherine Stoltenberg:

Are you kind of occupied person, only have 10 as well as 15 minute in your day time to upgrading your mind skill or thinking skill possibly analytical thinking? Then you are experiencing problem with the book as compared to can satisfy your short period of time to read it because this all time you only find book that need more time to be go through. GMC: The First 100 Years can be your answer since it can be read by an individual who have those short spare time problems.

Mary Norman:

Is it you who having spare time after that spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something new? This GMC: The First 100 Years can be the response, oh how comes? The new book you know. You are so out of date, spending your spare time by reading in this brand new era is common not a geek activity. So what these books have than the others?
