Katie Bug, Lady Bug: Goes to the Zoo Gayle Lee

Katie Bug and her family enjoy a day at the Zoo! Katie and her Dad play a fun guessing game where her Dad gives Katie clues of some of the animals, so that Katie can guess which animal he is talking about. This is a great way to teach your child about wild animals as they follow along. The family stops for ice cream treats and the girls play at the children's playground. All in all, a great time for the entire family!

In this book, Katie also introduces us to her twin sister, Hannah. They are not only twins, but they are also best friends. Readers will see that even though Hannah has special needs, she is a very smart and fun little girl who loves life and does not let her special needs limit her in any way. This is a great way to teach young children that special needs kids are simply kids. They grow and learn and laugh and play just like other kids.

This is a happy family with loving and supportive parents of amazing little twin girls, who enjoy spending time together exploring their world.

The book is written in a rhythmic verse that children love. The illustrations are colorful and fun and they capture the story line perfectly!
