Pat Boone's America: 50 Years Pat Boone

Pat Boone has lived an amazing life of integrity—one that's especially remarkable given his career field: the entertainment industry.

Who else has remained so true to his faith, family values, and love of God while being mobbed by screaming teenage girls, starring in Hollywood movies, befriending royalty, presidents, and rock stars alike, and staring out from the cover of Rolling Stone magazine?

A treasure trove of photos and memoirs, Pat Boone's America finds him looking back with signature humor and humility at a half-century of American culture, carefully observing the moments and issues where he has been celebrated or rejected for what he believes in.
